On this occasion the following concessions were sanctioned:-

RELEASE:- Short Term Prisoners. All short term prisoners under sentence of one month's imprisonment or less, who had worked out half of their sentence on ~~or before~~ 8th August 1902 were ordered to be released. the peace and those whose premature release was deemed to be inexpedient, were excluded from this concession.

(b) Other Prisoners. In addition to the above 10 per cent of all prisoners under confinement were ordered to be released. This number was ordered to be spread as evenly as possible over all the localities in the State. In making this selection, the following classes of prisoners were ordered to be excluded from consideration

(1) Those whose conduct in Jail had been bad and turbulent;

(2) Those whose original offences were of a kind to make them permanently dangerous to society or public order, should they be restored to liberty, and those whose release would be likely, looking to the crimes of which they were convicted to give rise to a renewal of blood feuds,&c.,

(3) Professional and habitual criminals and prisoners convicted more than twice.

The 10 per cent had to be selected as far as possible from the following classes of Prisoners.-

(a) Those who have generally borne a good character but were led under a sudden impulse to commit crimes such as riot, affray, assault or culpable homicide in a moment of anger. Also women who have

Mirza M. Ismail

D E W A N.

Bangalore,
14th July 1927.

Final Note by the First Member of Council.

Subject:—

Note regarding the clemency proposed to be extended to the prisoners confined in the jails and lockups of the State on the occasion of the ensuing Silver Jubilee of His Highness' reign.

I submit for the gracious approval of His Highness the following note on the clemency proposed to be extended to the prisoners confined in the jails and lockups of the State on the occasion of the ensuing Silver Jubilee of His Highness' reign. On similar auspicious occasions in the past, such as,

(1) The installation of His Highness in 1902,

(2) The coronation of His Majesty the Emperor of India in 1903,

(3) The marriage of His Highness the Yuvaraja in 1910

(4) The Imperial Durbar in 1911,

(5) Birth of a son to His Highness the Yuvaraja in 1919,

(6) The signing of the Peace in 1919, and

(7) The visit of His Royal Highness the Prince of Wales in 1922,

His Highness has been pleased to sanction as an act of clemency and grace the release of certain prisoners and the remission of a portion of the sentences of others. As the ensuing Silver Jubilee is a unique event in the annals of the State, it is only fitting that the concessions to be shown to the prisoners in commemoration of this event should be more liberal than those sanctioned on any of the previous occasions alluded to above.

The following concessions are suggested:-

Release.

(1) All prisoners under sentence of one month and less who have worked out one-third of their sentence on the date of the Jubilee may be released.

(2) In addition to this 15 per cent of all other prisoners may be released subject to the same conditions and reservations as on the occasion of the Coronation.

(3) All female prisoners whose release will not be dangerous to Society may be released.

(4) All offenders under 21 years may be released.

(5) Civil Debtors. All judgment debtors who have been imprisoned in execution of decrees of Civil Courts for debts not exceeding five hundred rupees (Rs.500) may be released, the debts due from them being paid to the Court concerned by Government.

(6) In addition to these, the long term prisoners recommended for release on probation in my Note dated the 28th April 1927 will also be released.

K

Remission.

(1) All prisoners under sentence of one month and less who have not worked out one-third of their sentence on the date of the Jubilee may be given a remission of two-thirds of their sentence.

(2) All prisoners under sentence of over one month may be given remissions according to the following scale:-

(a) All prisoners under sentence of imprisonment for more than one but not more than six months may be granted a remission of fifteen days;

(b) All prisoners under sentence of imprisonment for more than six months but not more than a year may be granted a remission of one month;

(c) All prisoners under sentence of imprisonment for more than a year may be granted a remission of one month for each year of sentence originally imposed. In calculating remissions, fractions of a year of sentence not exceeding one-half should carry fifteen days' remission, and fractions exceeding one-half, one month's remission.

Pages 9 & 10 of Office Note

The Dewan and the other Members of Council are agreeable to the above proposals.

I solicit the gracious approval of His Highness to these proposals.

Subd. The occasion being an extraordinary one it is doubtful whether the limitation that the total remissions granted should not exceed ¼ part of the sentence under Rule 306 is applicable. Moreover the total of the remissions granted on ordinary & extraordinary occasions formed in no case exceeded the restriction imposed. In that file the Supdt BC Jail sought the
instructions of Govt regarding the grant of
remissions for prisoners undergoing Sentences
in default of payment of fine. The Supdt BC
Jail was informed that the restrictions imposed
by Rule 291 of the Mysore Jail manual are not
applicable as the occasion was an extraordinary
one. (Pages 20 and 21 of the note in the file)
Subsequently the Inspector General of Prisons
in Mysore brought to the notice of Govt that
the Supdt BC Jail were wrong in granting remissions
to prisoners undergoing fine Sentences (page 29
of the note). The Then Member in Charge agreed
with the D.G.P and said that there was great
force in the contention of the D.G.P. But he
said that nine orders have already issued to
the Supdt BC Jail that he need not behind

Sir,

Relieving - Prisoners - on 8th August 1927 during the Celebration of the Silver Jubilee of His Highness the Maharaja's Reign.

With reference to para 9 of Government Order No. G. 888-97/Pris. 6-27-1 dated 22nd July 1927 regarding the release of a certain number of prisoners on 8th August 1927 during the Celebration of the Silver Jubilee of His Highness the Maharaja's Reign, I have the honour to state that I carefully scrutinised the extracts from the list of Prisoners relating to this District sent by the Inspector-General of Prisons in Mysore and received by this office on 1st August 1927, as per para 9 of the said Government Order. I consulted with the Assistant Superintendent of Police, Mysore City and the District Superintendents of Police in the District in the matter. The District Superintendent of Police, Mysore is of opinion that Prisoner No. 3062 of the Mysore District Jail Manegar Puttananjappa convicted by the Sessions Judge of Mysore Division on 7th April 1924 under Section 325/114 Indian Penal Code and sentenced to suffer Rigerous Imprisonment for 7 years does not deserve any concession, as he was the orgunator of the murder, that he was lucky in being convicted under Section 325 I.P.C. in the Chief Court while he was convicted for murder by the Sessions Court. He also states that Kunda Peera, Prisoner

P.T.O.,

No. 4129 of the Mysore District Jail who is undergoing a sentence of Rigorous Imprisonment for 1½ years for house-breaking and theft since 22nd November 1926 is a very darding burglar and that though he committed a number of burglaries he chanced to be caught only in one case and got convicted and that he least deserves clemency.

In these circumstances I request that the list of prisoners to be released may be suitably modified.

I have the honour to be,
Sir,

Superintendent - Central Jail
Bangalore

Wilson
Inspector-General
3/9/27 of Prisons in Mysore

Opinion 11

Under Rule 291 ordinary remission cannot begiven in respect of any sentence of imprisonment amounting to less than one year, excluding any sentence passed in default of payment of fine. But under ~~Sections~~ Rules 303 and 304 special remission can be awarded by Superintendent to an extent not exceeding 30 days in one year; (b) by the Inspector General or Government not exceeding 60 days in a year. Rule 306 prescribes total remission under all these rules shall not, without ~~the~~ special sanction of Government exceed 1/4th part of his sentence.

According to para 7 of G.O.888-97 dated 22nd July 1927 the scale of remission fixed has no reference to the sentence whether it is substantive or in default of payment of fine ~~and can be granted in all cases~~. If, however, ordinary remission given previously is not calculated according to rules 291, 303 304, 306, the mistake can be pointed out to the Superintendent for future guidance.
